WORK HISTORY

- DECEMBER 2008 - PRESENT // Working Artist // [//www.babythebreadisrising.com](http://www.babythebreadisrising.com) // Evanston IL
Via a varied and fluid range of media and methods, i am working to weave the 'artwork' back into the fabric of everyday life.
- APRIL 2008 - DECEMBER 2008 // Henry's Organic Farm // [//www.henrysfarm.com](http://www.henrysfarm.com) // Congerville IL
Apprentice
Worked closely with Henry on his small very diverse organic vegetable farm. Work included planting and transplanting, weeding, mulching, harvesting and selling. Almost all of the work was done by hand or with hand tools, but also became adept at driving tractor, tiller and farm truck.
- OCTOBER 2007 - APRIL 2008 // Homesteading // // Guanajuato México
Worked to start up homestead in small village on parent's land in Central Mexico. Tended to chickens, sheep, cats, dogs, vegetables and fruit trees. Daily chores included carrying most of our water and carrying the wood to burn the fires with which we cooked. Taught myself to build with natural materials culminating in a hand built earthen oven.
- MAY 2007 - OCTOBER 2007 // Sage Alliances // [//www.sageall.com](http://www.sageall.com) // Chicago IL
Graphic Designer/Web Developer
Designed and built extensive website for premier real-estate/marketing firm.
- 2004 - 2007 // Northwestern University // [//chicago-architektour.mmlc.northwestern.edu](http://chicago-architektour.mmlc.northwestern.edu) // Evanston IL
German Dept.
Graphic Designer/Web Developer
Designed and built extensive websites used by Northwestern University's German department to teach the German language in undergraduate classes.
